OTHER HAPPENINGS:

THINGS TO KEEP IN PRAYER THIS MONTH:

- For our Search Committee as they seek the Father on who He would have for us as both Lead Pastor and Youth Pastor for this next season. Pray also for those that will fill those roles: that the Father would be equipping and preparing them.
- For our Elders and Interim Pastor, Dirk: for wisdom, grace, strength and encouragement as they serve our body.
- For United Youth: continue to pray for the kids and their relationships both with the Lord and each other to be deepened and strengthened.
- As we celebrate Valentine's Day. Pray or the Lord to strengthen the marriages within our body-binding them together as they follow God, together. And pray for those within our body who may yet desire to be married, that the Father would meet their every need and prepare a way for them to meet Godly spouses.
- For the many within our congregation that are walking through illness or other hard circumstances: for healing, comfort and strength, especially during these long winter months.
